Message from the President:

I hope your summer has been everything you had hoped for--relaxing, exciting, productive--or maybe a combination of all three. As we head into the fall, I want to invite you to join your fellow QC progressives at our Second annual PACG picnic. This is a time for connecting, or re-connecting, with others in our community who share some of your own interests and passions. Our goal this year is to keep the focus on fellowship. We'll have some good summer food, including pulled pork sandwiches, vegetarian lasagna, and watermelon, all catered by Fresh Deli. There will be live music, blues and Motown, from Alan Sweet, as well as a repeat of last year's very successful pie auction. There will be a few speeches, but they'll be short! Tickets are \$10 per person; please send your check, marked "picnic tickets," to PACG, 1212 W. 3rd St., Suite 3D, Davenport, IA 52802, and they will be held for you at the picnic. You may also purchase your tickets at the door.

I look forward to seeing you on Sept. 13.
